

TOP 5 REASONS TO WORK WITH

5 FOCUSED

I am deeply interested in finding the best solution to problems. When working on a team or project, you won't find anyone else more focused on the task at hand.

4 EXPERIENCE

I hold two degrees, multiple certificates and over a decade of work experience. I also make a mean meatloaf, but who's counting?

3 CONSCIENTIOUS

When balancing complex problems, I excel at making informed decisions by applying critical thinking and thorough analysis.

2 DEDICATED

I'm motivated by businesses that align with my personal beliefs and find supporting similar values provides strength and growth for everyone.

1 FLEXIBLE

This isn't just a nod to my yoga skills. I thrive by working on a variety of tasks and look forward to a good challenge.
